MISSIONARIES TO ZAMBIA

Planting Local Churches with National Pastors in Sub-Saharan Africa and beyond...

August-October 2012 Prayer Letter

From The USA:

Our deputation calendar is booked until the end of the year! Amen! Spring schedule is filling up fast as well. Churches are seeing the burden for Zambia, and our support level is rising. This week we were blessed to be able to buy a new vehicle for deputation. It is a Ford E-350 converted into a small bus. We will be able to build a cabinet in the rear, and still have MUCH more room than with the Suburban. This will allow my wife to school the kids during travel on the road – much to the disappointment of the children.

In October we have presented the ministry in 7 churches in Canada, Montana, California, and Washington! What a month! What wonderful response from God's people.

Two new historic videos are up on our website www.teamzambia.com. They are of the first democratically elected President of Zambia in the early 1990's. In the first video, his inauguration speech, he declares himself as President under the Lordship of Jesus Christ. The second is his prayer at a national funeral for the soccer team that died in a tragic plane crash. This clip is nothing short of astounding. He preaches the Gospel, and proclaims that God placed him in power to proclaim the name of Jesus to the world.

We believe that this man's stand for Christ is one of the major reasons for the openness to the Gospel that we saw in our trips to Zambia. **Our deepest thanksgiving for those who PRAY, and GIVE so we can GO!**

From Zambia:

This is a copy of an email sent to Pastor Douglas Sakawaha. He is a Zambian Pastor in the Capital City of Lusaka. The email is from a Police Officer who is a Chaplain. They are asking for Bibles for each of their offices.

Hello Rev Douglas,

It is our pleasure to write to you and find out how you have been as a collaborative brother. We have been well though busy with work. Brother we wish to remind you again that this department is in entire need of the bibles and if you still have copies as was verbally put to you the time you visited us, please do not hesitate to give us some. This will make our work easy and boost our fellowship in that the reading of the Word of God is expected to rise when Bible are distributed to our officers. A check in offices reviewed that 1 out of 10 offices seldom had a copy of the Bible and how much more the situation of individual officers - they are in entire need of Bibles and hence this reminder. We will continue to look forward to receiving the Bibles.

Please pray that this need will be met.

In Christ,
Rev. Sakala (A/Supt)
Chaplain.
